

RUDGATE

BREWED IN THE VALE OF YORK

BREW PROGRAMME 2017

BREWING UP A STORM FOR 25 YEARS

OUR STORY

Rudgate Brewery was established in 1992.
The brewery is situated at the heart of
Yorkshire in the Vale of York.

2

The original brewery was situated in the former ammunition building of RAF Marston Moor Airfield which was home to the Halifax bombers that helped defend our country during World War 2. The name comes from the old Roman road of 'Rudgate' which runs through the airfield. This road led the Vikings along our vale defeating the Romans in their steps. This road and its history is what instigated the main theme of Vikings for the brewery.

The brewery expanded into a modern new facility in 2010/11 on the same site. Rudgate Brewery is nationally recognised with several awards to its name including CAMRA Overall Champion Beer of Britain 2009.
